NOTES

Dear Magnus,

The International Business Law Team at
Tilburg University wishes to express our
gratitude for your recent guest lectures
on Web 3.0 and the Metaverse. Your
insights were not only theoretically
enriching but also immensely practical,
offering our students a crucial perspective
on these technologies.

Your ability to blend theoretical
knowledge with real-world experience
made the concepts accessible to our
students. Your passion for the subject
matter was evident throughout, igniting
enthusiasm and curiosity among our audience.
We deeply appreciate your dedication of
time, expertise and invaluable contribution
to the IBL-program. Your presence has
enriched our academic community!

Kind regards, Erik, Tronel & Sanita
